## Laguna Phuket introduces Thailand's first resort

Laguna Phuket is Asia's premier wedding and honeymoon destination for quality-conscious couples wishing to tie the knot in unique and pampered style.

Following the innovative style evident since the resort complex's inception, Laguna Phuket has unveiled Thailand's very first resort wedding chapel 'Chapel on the Lagoon'.

The opening of the Chapel on the Lagoon offers the opportunity for couples to conduct their wedding ceremony or re-affirmation ceremony in an unparalleled setting in this stunning chapel built within the magnificent grounds of Laguna Phuket, Thailand's premier destination resort.

**Location**

Inspired by the Kingdom's waterborne culture, the charming Chapel on the Lagoon floats on stilts above the tropical waterways of the magnificent Laguna Phuket Resort complex in southern Thailand. Centrally located within Laguna Phuket, the non-denominational chapel is only minutes from any of the five deluxe Laguna hotels. Facing north west, the chapel offers 360-degree panoramic views overlooking a sparkling seaside lagoon with a scenic beach nearby. Chapel on the Lagoon is the perfect venue for romantic sunset weddings in tropical Phuket.

**Ambience**

The airy, light interior evokes an intimate atmosphere of reverence. The décor features a pure white colour scheme with polished white ceramic floor tiles. Flooded by natural sunlight, the chapel's side walls comprise sliding glass doors that can be opened for an al fresco ambience, or closed to enjoy air-conditioned comfort without interrupting the stunning lake view.

With its lofty ceiling, glass walls, watery backdrop, lush tropical gardens and nearby beach, the Chapel on the Lagoon offers a myriad of memorable photo opportunities.

**Capacity**

The chapel comfortably seats up to 50 guests. There is additional standing room inside if required. Open the sliding glass doors and even more standing room is available on the chapel deck.

**Added Extras**

Western or Thai style ceremonies can be arranged. Thai weddings feature Buddhist monk blessings amongst other charming local ceremonies, Thai musicians, attendants in traditional Thai costumes, optional elephants and various Thai touches which add a truly exotic flavour to that very special day.

The chapel can be accessed by private vessel. There are two boat jetties allowing arrival to the reception area and departure from the chapel deck which provides the perfect setting for post ceremony photos and champagne. Onsite air-conditioned rest rooms with a full length mirror for the bride provide added convenience.

A framed Welcome Notice Board located in the reception area enables the bride and groom to display a personalized message or greeting to arriving guests. Either live organ music or your own recorded ceremonial music can be played during the ceremony. The chapel has a state-of-the-art Bose sound system. A dedicated Wedding Salon is located nearby in Canal Shopping Village with fully trained staff to assist with all the details for that very special day.
