# Laguna Phuket Chapel-on-the-Lagoon

With Thailand's only resort-based wedding chapel within its magnificent grounds, Laguna Phuket is undoubtedly Asia's premier wedding and holiday destination.

Laguna Phuket's wedding chapel floats on stilts above the tropical waterways of the resort's complex, which has six deluxe hotels.

The non-denominational chapel seats 50 people comfortably, with a stunning panoramic view of the sparkling seaside lagoon and white-sand beach nearby. Flooded by natural sunlight, the chapel is designed to make the most of its setting, with high ceilings and glass walls that let the view into your air-conditioned ceremony.

The resort's hotels offer a wide range of wedding packages, as well as accommodation, catering and honeymoon options.

Laguna Phuket prides itself on having a team of dedicated specialists, catering to your every need and ensuring your special day meets your highest expectations.

## **MENU:**

Your wedding reception can be catered for by any of the Laguna Phuket hotels, each offering a tempting selection of international and Asian menus, served in a variety of beautiful venues within Laguna Phuket's grounds.

## **ONLY AT LAGUNA PHUKET:**

You can access the chapel by private vessel, making your arrival and departure even more romantic.

The sparkling lagoon, lush tropical gardens and nearby beaches provide the perfect backdrops for memorable photos and champagne toasting.

## **BOOKINGS:**

It is best to book the chapel as soon as your wedding date is set. Catering and accommodation details can be confirmed later.
